A World Class Curriculum.....

| | | | | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Core Curriculum</p> <p>Castle Park offers a broad, well-rounded core programme in line with the Irish curriculum, comprising Maths, English, Irish, Science, 'CP-SEAL', and Social, Environmental, and Physical Education.</p> <p>CP-SEAL is our own Social & Emotional Development Programme.</p> | <p>Specialist Education</p> <p>Unlike many schools in Ireland, our pupils not only receive instruction from expert teachers but also benefit from specialist teachers in subjects such as Music, French, Spanish, Science, Art, and Physical Education. Additionally, we have a dedicated Librarian to support learning.</p> | <p>Performing Arts</p> <p>All our pupils experience the Performing Arts through expert instruction, with each class showcasing concerts and informal plays throughout the year. In addition, Form V and VI participate in a full-scale musical production.</p> | <p>Forest Science</p> <p>Our Kindergarten 2, Junior Infants, Senior Infants, and Form I classes take part in our Forest Science Programme once a week, rain or shine, on the grounds of CP. Pupils in other classes can also choose to participate as part of our Hobbies Programme.</p> | <p>Personal Development Days</p> <p>Our Personal Development Days feature themed activities that focus on leadership, teamwork, and real-world learning, with our pupils actively taking part in hands-on projects and challenges that help build confidence, collaboration skills, and practical knowledge.</p> | <p>Class Sizes</p> <p>We believe that children learn and develop best in classes of up to 24 pupils. This allows each child to receive the individual attention they need to thrive, fostering personalised learning and strengthening teacher-pupil relationships.</p> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

that goes beyond the expectations of a primary curriculum

| | | | | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Freshly Made In-House Meals</p> <p>We believe good nutrition fuels exceptional learning. Each child enjoys a freshly prepared, nutritionally balanced hot lunch made in-house by our catering team using locally sourced ingredients, along with a healthy fruit snack to support focus and well-being.</p> | <p>Swimming Lessons</p> <p>Each week, pupils from Junior Infants to Form VI receive expert swimming instruction in our on-site 25-metre pool, building skills, confidence, and water safety through tailored lessons for each age group.</p> | <p>Sports</p> <p>In addition to our timetabled Physical Education lessons, pupils can take part in after-school supervised sports, including GAA, soccer, tennis, basketball, hurling, table tennis, swimming, softball, hockey, and tag rugby.</p> | <p>Hobbies</p> <p>Our after-school program offers a diverse range of supervised activities, including chess, book club, Spanish, drama, art, Minecraft, yoga, music, Irish dancing, and more. There's something for every child to explore and enjoy!</p> | <p>Trips & Excursions</p> <p>Each term, our pupils look forward to and benefit from excursions to nearby places of interest and learning. These trips provide valuable real-world experiences that enhance their understanding of the curriculum, spark curiosity, and inspire a love for discovery.</p> | <p>Music</p> <p>Music is at the heart of school life, with specialist teachers, weekly lessons, and performance opportunities for every child. From learning instruments to joining choirs and ensembles, pupils develop confidence, creativity, and a lifelong love of music.</p> |

| <p>Wraparound care is available from: 8:00 am to 6:15 pm Monday to Friday during term time.</p> <p>For further information, please enquire through the School Office.</p> | <p>One-to-one private music lessons, taught by experienced instructors, are available, along with instrument hire and the opportunity to take music exams.</p> <p>For further information, please enquire through the School Office.</p> | <p>The school subsidises the costs of residential trips to keep expenses low for parents, ensuring all pupils can take part in exciting national and international experiences that enrich their learning and broaden their horizons</p> | <p>All staff-led extra-curricular activities are included in the fees. A few chargeable activities, run by external providers, are available, with fees kept to a minimum to cover only the costs charged to the school.</p> | |

| How to Pay |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Parents are billed in August for the full year and can choose from three payment options: pay the full year in advance by 11th September 2026, make termly payments due on or before the first day of each term (with equal fees each term), or opt for direct debit, processed on the 2nd of each month starting in October 2026. More detailed information can be found in our Terms & Conditions.</p> |
